Effective teaching:

The effectiveness of our teaching is based on 3 pillars:

Polish in Polish. We communicate to our students in Polish, and we encourage them to do the same.

Communication is most important. We teach how to use Polish in business and everyday situations. Grammar takes a subordinate role.

Class arrangements. All levels available A0-C1, small groups (average only four students), precise selection of groups, drilling, outstanding atmosphere, specialized courses available.

What differentiates us ? :

Warranty. You have our guarantee that you will make progress, but also you can see for yourself.

- ✓ first one-to-one lesson free,
- ✓ option of money back after first group class.

Location. The school is located in the heart of Warsaw, at the beginning of Royal Way, in a quiet place supporting your learning.

Our Office. We speak English. We always sort out all your issues with a smile 😊.

Outstanding events. We organize many integrational events like: canoeing, biking trips, national days, going out, etc.

I have been with Klub Dialogu for some time learning Polish. They are very professional and client focused. The teaching approach is immediate and from day 1 you are speaking in Polish. This is not as daunting as it sounds. The teachers are incredibly patient and tolerant. They understand the challenges you are facing and know how to help you through. Learning Polish is hard work, but somehow the teacher makes it fun! I highly recommend Klub Dialogu.
